

We do purchase sheep's wool; **Dorset, Suffolk and Corriedale.**

Currently, we are paying \$0.85 per pound. No minimum quantity required.

We cannot use any wool from Romanov, Scottish Black Face or any cross with these sheep. Their wool is not suitable for our machinery, as it is too much like hair. We do not process any other fibre.

Our requirements are:

1. Fibre must be 2 ½ to 4 ½ inches in length
2. No burdocks, shavings or sawdust
3. No fertilizer bags or plastic bags *Feed bags are best to use
4. Wool must be from the current year
5. No second clip or lamb's wool (fibre is too short)
6. An appointment is required. Call our office 506-366-5438 or 1-800-561-9276 (Canada)

Please note, if you bring wool to our mill that is not acceptable it is your responsibility to properly dispose of it.

If you have any questions, please do not hesitate to call us.

Thank you,

Mike Little, Owner
